• for professionals who rely on performance every day •

70 YEARS OF KNIT

With this NOOS catalogue, we celebrate 70 years of knitwear, craftsmanship and quality. Seven decades of creating knit that's made to last, made to live in, to move in, to work in, day after day. Because true quality never goes out of style, it only gets better with time.

Since 1955, our story has been defined by a commitment to quality, a deep passion for knitwear and a dedication to craftsmanship.

Seventy years later, our expertise remains rooted in the development, production and distribution of classic, high-quality knitwear.

Timeless, functional and responsibly made, our knitwear combines traditional craftsmanship with modern needs.

Discover our wide range of NOOS styles in this catalogue. Designed for flexibility, reliable availability and easy replenishment.

Looking for something custom? No problem! We also provide special production, from logo design and embroidery to knitwear in company colours to your specific design.

As a CLIPPER customer, you get full access to our stock and B2B webshop, making it easier than ever to order exactly what you need, when you need it.

With day-to-day shipping on thousands of ready-to-wear styles, premium knitwear is always just a click away.

CORPORATE WEAR

Designed for employees in the retail, corporate and hospitality sectors.

Tailored for style and professionalism, our corporate wear is perfect for employees representing your brand.

With great attention to fit and finish, blending comfort with a presentable look to give confidence, whether in the front office or on the sales floor.

WORKWEAR

Made for employees in transport, warehouses and service industries.

Our workwear is designed with durability, comfort and freedom of movement at its core.

Every detail is crafted with purpose, reinforced seams for long-lasting wear, breathable materials for all-day comfort and practical features like secure pockets.

UNIFORMS

Developed for employees in the security, fire and rescue sectors.

Designed with authority in mind, our uniforms provide a blend of function and signal value. From epaulettes to reinforced durability and heavy-duty qualities.

Each style is created for comfort, mobility and a clear visual identity that commands respect.

designed for professionals • made by professionals

WE MAKE IT OUR BUSINESS TO DRESS YOURS

Your partner for corporate wear, workwear and uniforms that transcend industry, culture and borders. Knitwear built on tradition, shaped by innovation and crafted by professionals for professionals.

As your partner, we're committed to understanding your team, your brand and your specific needs.

From selecting the right materials to ensuring the perfect fit and finish, every garment is designed for performance, comfort and a professional image.

We collaborate closely with you to make sure every detail meets your standards. From the first idea to the final delivery.

Most of our products are manufactured in our own factory in Latvia, while the

rest are developed in close collaboration with trusted partners, primarily in Europe.

This hands-on approach ensures transparency in people, safety, sourcing and production.

The result is profile clothing that meets functional needs, reinforces brand identity and helps teams perform at their best.

Guaranteeing you the best possible solution every time.

A man with short brown hair and a light beard is smiling slightly. He is wearing a dark navy blue V-neck sweater over a light blue long-sleeved button-down shirt. He is leaning his right arm on a silver metal railing, possibly part of a car. He is also wearing blue denim jeans with his left hand in his pocket. The background shows a large window with a view of trees with yellow and orange autumn leaves.

CUSTOM MADE

A way to make your team stand out and stand together. From updating care labels to developing complete prototypes, no request is too big and no detail too small.

New packaging? Different labels? A name badge? Shoulder straps? No problem!

At CLIPPER, we know that one solution doesn't fit all, which is why our custom made options are designed to meet the unique needs of each team and purpose.

Every piece combines craftsmanship with design and function, delivering profile clothing that not only looks professional but also performs in everyday use.

From careful material selection and fit to responsible production, all details are considered to ensure high-quality results.

With a wide range of colours, logos and design details, uniforms can be perfectly aligned with any brand identity.

Unity in the team builds confidence and connection, turning the brand into a symbol of professionalism and recognition.
